## **Sensory Map**

**Preparing for your visit  
to Level Centre**

**[www.levelcentre.com](http://www.levelcentre.com)**

**Level Centre is an arts centre, this means this is a place where I can spend time looking at things and having fun.**

**When I visit Level Centre there are  
lots of things to:**

**See**

**Hear**

**Touch**

**Smell**

**Taste**

### **Outside LEVEL Centre I might see:**

- The grey Level Centre building with lots of windows and a glass door
- The Level Centre sign high up on the building
- Lots of cars going to the garage next door
- The trees next to the building swaying in the wind
- Posters on the door
- Cars in the car park

**See**

### **Outside LEVEL Centre I might hear:**

- **The sound of cars on the road**
- **The sound of machinery from the garage next door**
- **The sound of birds in the trees next to the building**

**Hear**

### **Outside LEVEL Centre I might feel:**

- **The hard surface of the ground outside**
- **The smooth handle of the door**
- **The leaves on the bushes that grow next to the building**

**Touch**

### **Outside LEVEL Centre I might smell:**

- Blossom on the trees behind the building
- The oil from the garage next door
- Wood from the joinery workshop

**Smell**

### **Inside LEVEL Centre I might see:**

- **A long corridor with lots of windows and shadows on the walls**
- **Two sofas that I can sit on**
- **Big televisions with people dancing and drawing on them**
- **Bright lights inside some of the rooms**
- **Dark inside some of the rooms**
- **People who work at Level**

**See**

### **Inside LEVEL Centre I might hear:**

- **People talking**
- **The sound of footsteps on the long corridor**
- **Doors opening and closing**
- **Music playing**
- **People making things**
- **The hum of projectors**
- **The telephone ringing**

**Hear**

### **Inside LEVEL Centre I might feel:**

- The carpet and smooth floor under my feet
- The slippery surface of the sofas
- The cool metal handles of the doors
- The pencils and paper on the table
- The cool metal of the handrail
- The vibration of the music in the studios.

**Touch**

### **Inside LEVEL Centre I might smell:**

- **Coffee or food cooking in the kitchen**
- **Air freshener in the toilets**

**Smell**
