

About Level

LEVEL is an Arts Council England National Portfolio Organisation and is also supported by Derbyshire County Council. We produce and promote art that is powerful and of relevance to all of our society – art that is not afraid to be different.

About LEVEL's Residencies

Residencies are planned to take place between November 2021 and March 2022. We will select 4 Artists or companies to complete a 1 to 2 week residency with LEVEL.

We are looking for residencies researching and developing ideas suitable for adults with learning disabilities.

Who can apply?

We are looking to support UK based, established professional artists and companies from a variety of disciplines (visual, performing & digital).

We are looking for proposals for the following types of residency:

- Performance or visual artist or company exploring work for learning disabled adults
- Performance, digital or visual artist or company who identifies as disabled*
- Artist or company exploring digital content that is suitable for learning disabled adults (digital work could include audio, video, apps, virtual or augmented reality, performance, animation.)

**LEVEL wants to hear from the full diversity of disabled artists, working in any discipline across the UK. By using the term 'disabled person/artist' we aim to include those who identify as being learning disabled, disabled, D/deaf, neurodiverse/neurodivergent and those experiencing chronic illness, mental health conditions, and more. We understand that different people prefer different terminology. You do not have to prefer the term 'disabled person' to apply.*

What are we looking for?

LEVEL is seeking bold, ambitious and cutting-edge ideas to support our mission in celebrating the Art that Difference Makes.

We hope to develop partnerships and relationships with the selected visiting artists and companies beyond these residencies. We want to be challenged by new ideas and we want artists to have resources and expertise to think and create.

The Residency offer is:

- A 1 to 2 week long residency*
- A financial contribution of up to £2000 for the residency
- An opportunity to meet the team
- Discussion at the end of the residency with optional sharing
- Access to LEVEL's in-house resources (subject to availability)
- Post-residency discussion with LEVEL Centre staff to discuss the outcomes and next steps

**Coronavirus and Local Restrictions: Due to the current pandemic, if restrictions apply LEVEL will offer residencies online.*

How to Apply

To apply please complete the online application form [which can be found here](#).

If you are unable to complete this form, please contact the LEVEL Centre team on info@levelcentre.com or call 01629 734 848.

The application form will capture your personal details, which type of residency you are applying for and equal opportunities monitoring.

In addition to the application form, you will need to upload the following:
