Activity Pack

Welcome!

Together in this **World-Building activity** pack, we will be using images of the beautiful **Derbyshire countryside** as inspiration for our own **drawings**. These will then be sent to LEVEL Centre.

Once we have your Art, Ryan is planning to create a collaborative digital piece for us all to view! This work may be displayed on our website, social media and at LEVEL Centre.

All participants who agree to share their work will have their name and work credited on the art work. This work will be shown on our website and at LEVEL Centre.

What you'll need...

Something to draw on!

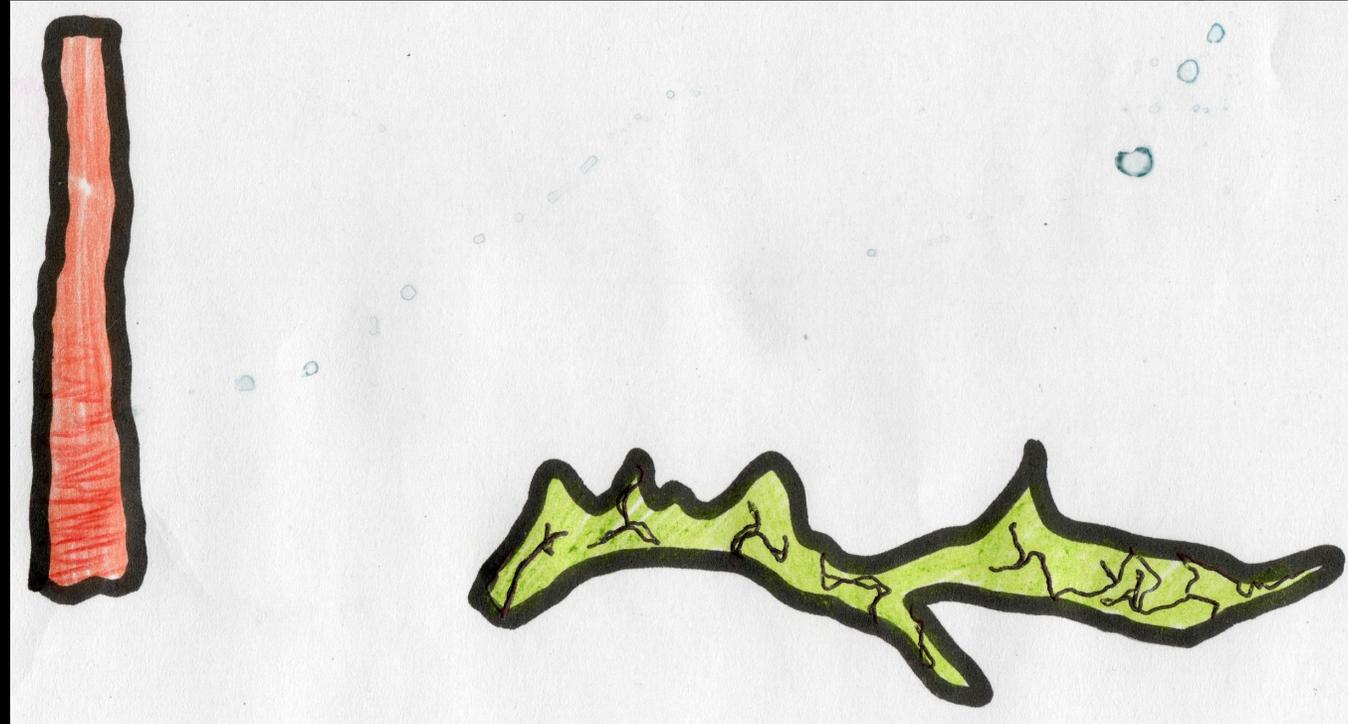

Whether it's paper
or anything else you can think of.

Something to draw with!

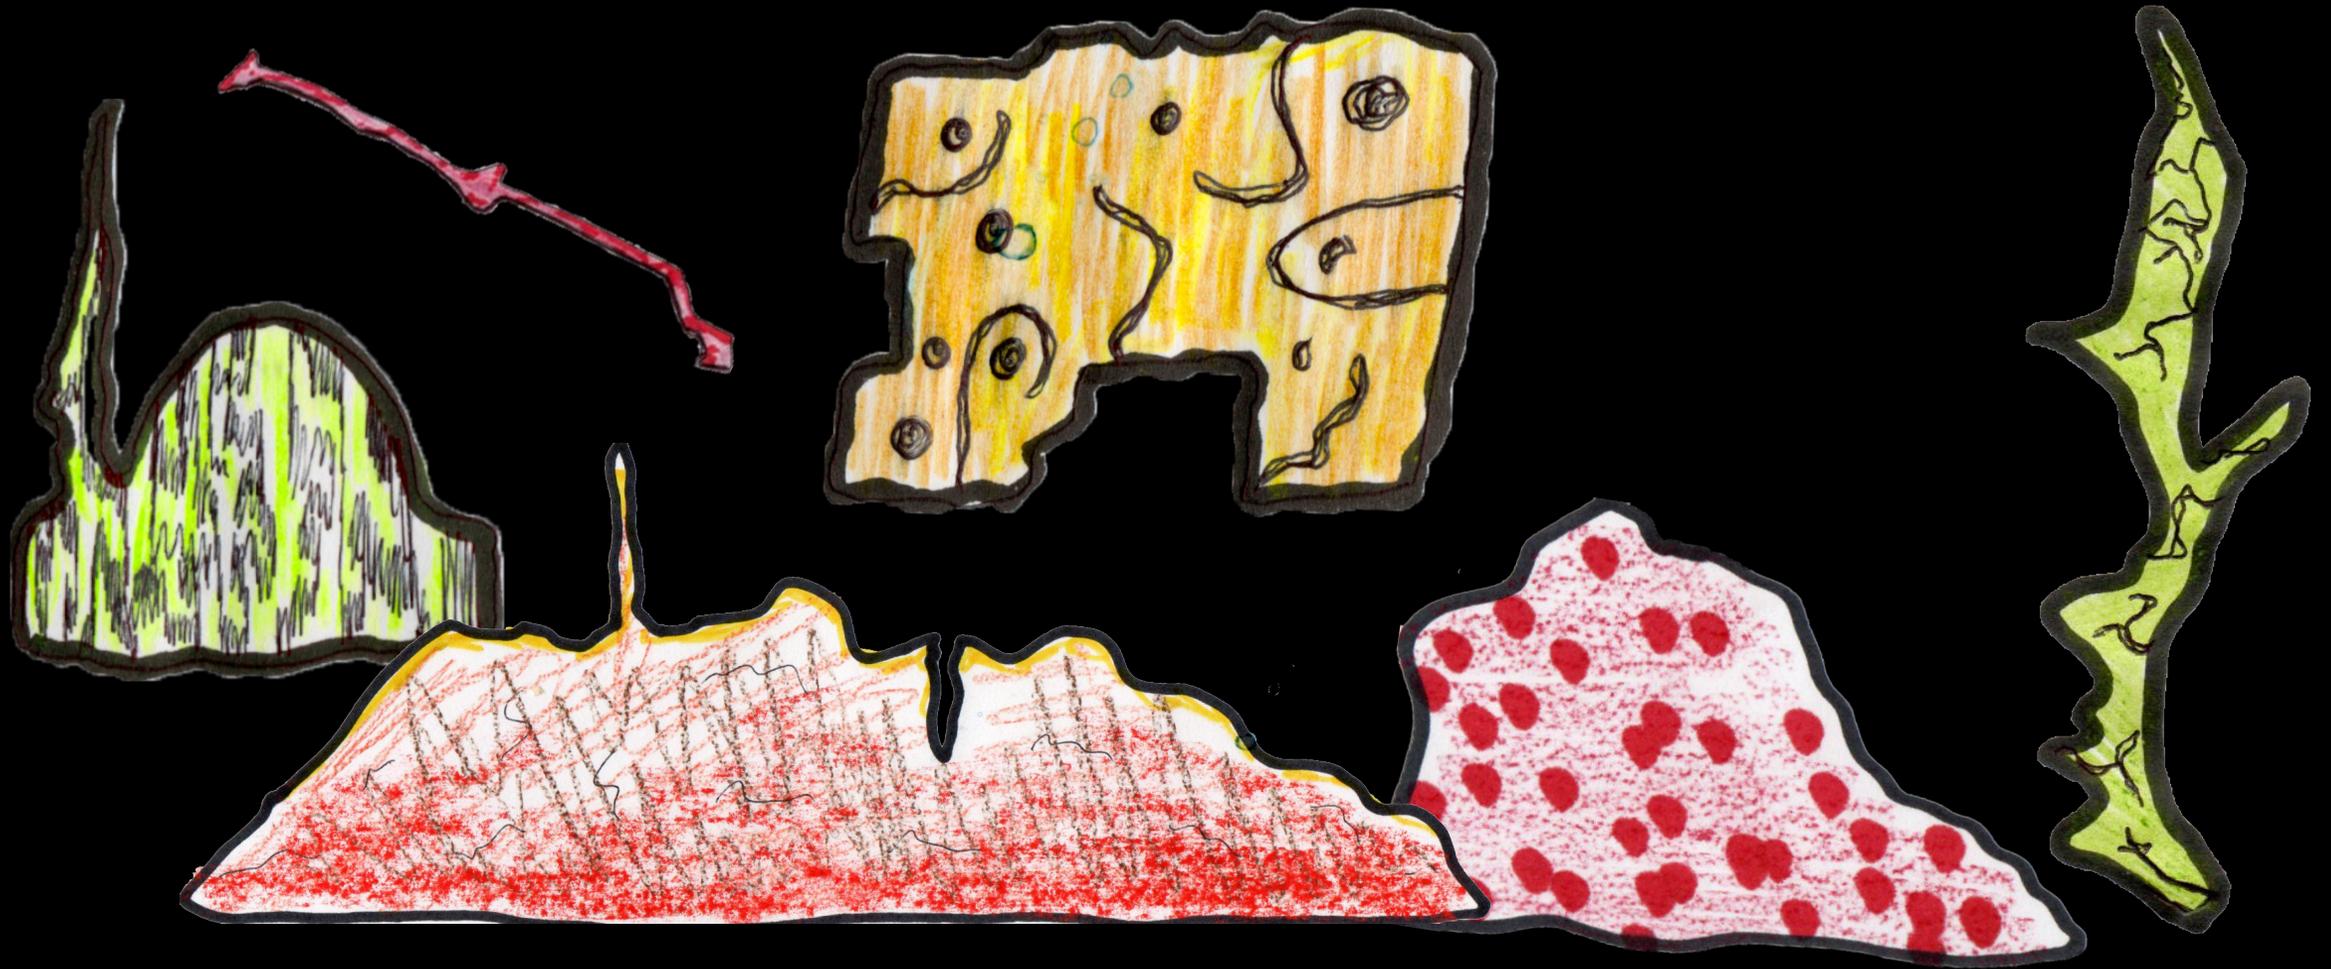

This could be anything such as pencils,
pens, highlighters, paints.

Example..

Here I have drawn and shaded some bold, simple drawings

Here I've placed them together on a page..

Sending your drawings to Ryan will help to make a digital artwork, which can be viewed from home! Here's an example.
